MILITARY INSTALLATIONS, ASZOD, HUNGARY

This report is a partial answer to DIA requirement DIAXX 63-84, to verify the location of selected military installations in Hungary, and to perform a photo analysis of these installations to determine function, number and dimensions of buildings, to estimate troop capacity, to identify and describe related training areas and facilities and to confirm or negate ammunition and POL storage. This report covers two military installations in the Aszod area.

The estimated troop capacity for these two installations is 4,292, based on a total of 214,600 square feet of floor space.*

Good quality KEYHOLE photography of [REDACTED] was used for the analysis of the two installations in this report. These installations are shown in Figure 1.
